PROFILE

Hi, Im Thejas B M, a web developer and UI/UX designer with a passion for creating beautiful, functional, and user-centered digital experiences. With 2 years of experience in the field. I am always looking for new and innovative ways to bring my clients visions to life.

I believe that design is about more than just making things look pretty – its about solving problems and creating intuitive, enjoyable experiences for users. Whether Im working on a website, mobile app, or other digital product, I bring my commitment to design excellence and user-centered thinking to every project I work on. I look forward to the opportunity to bring my skills and passion to your next project.

WORK EXPERIENCE

Senior Full Stack Web Developer

Techrowth Pvt Ltd

2023 Feb - Present

- Developed a comprehensive e-commerce website using HTML, CSS, JavaScript, and React.
